Helping And Loving Our Cocker Spaniels

Dear Cocker Spaniel owner,

Making sure our dogs are going to be taken care when we are gone is so important to all of us. We appreciate you taking the time and effort to ensure your dogs will be safe and well cared for the rest of their lives.

Attached you will find a two information forms to fill out for each dog registered and an authorization letter for your vet for you to sign. When we receive back your completed forms, the signed letter to your vet and a check for the registration fee we will send back to you a contract, instructions and a letter for your friends, family, vet, groomer, and anyone else who cares for your dog so everyone knows who to call when it is time. If you have any questions please contact me at 805-687-4674 and I will be happy to help you in any way I can.

We are pleased to be able to offer this service to you and your dogs. We promise we will treat them as if they are our own.

Sincerely,

Elizabeth Mazzetti

Helping And Loving Our Cocker Spaniels

H.A.L.O. is a service offered through Second Chance Cocker Rescue to all Cocker Spaniel owners. For a set fee Second Chance will be your cocker spaniel's safety net when you are gone. If you sign up for our **H.A.L.O.** registry we will commit to take in your Cocker Spaniel when you pass away if no family members are available to take the dog. These dogs will be treated as rescue dogs and either adopted into new families or placed in our Sanctuary program where they will be loved and cared for the rest of their lives.

What **H.A.L.O.** is Not:

- It is **not** a separate rescue, **H.A.L.O.** will not take in dogs if the owner is still alive unless they are in Hospice.
- It is **not** a sanctuary, dogs will be adopted into loving homes when possible.
- It is **not** a Trust. We do suggest you make a Trust to help facilitate us getting the dog. We are a back up for your Trust.
- It is **not** a lost pet registry.

Fee Structure
